PROFILE

Highly skilled and motivated Computer Science graduate with a solid foundation in web development. I bring a wealth of experience in building dynamic and responsive web applications using a diverse set of technologies. My expertise spans HTML, CSS, and JavaScript for front-end development, as well as PHP, Laravel, and React.js for robust back-end and full-stack solutions.

EXPERIENCE

2022 - 2023   **Web for Solutions Ltd.**
Web Developer (Intern), Dhaka
Laravel-focused web development intern at Web For Solutions Ltd. Collaborated on core features, honed skills in web development, and contributed to optimizing web applications.

2021 - 2022   **The Authentic Store**
Co Founder, Dhaka
Founded and led a Bangladeshi electronics store, prioritizing authenticity, aesthetics, and quality. Proven success in e-commerce entrepreneurship and management.

EDUCATION

2019 - 2023   **Bachelor of Science in Computer Science & Engineering**
American International University-Bangladesh
Dhaka, Bangladesh

2016 - 2018   **Higher Secondary School Certificate**
Dhaka Imperial College
Dhaka, Bangladesh

2014 - 2016   **Secondary School Certificate**
Faizur Rahman Ideal Institute
Dhaka, Bangladesh
